## **Presidents Message:**

**Bennie Johnson Wood 817-838-2409**

**Email: [bjwwatercolor@sbcglobal.net](mailto:bjwwatercolor@sbcglobal.net)**

*Five times President of TAG!! Where have the years gone? I became a member in 1980 and I believe now as I did then TAG is the most generous helping hand to artist in Tarrant County. Art I feel is going through growing pains at this time. Computers and digital cameras are making inroads in the art world as planners of composition and then as art. I realize the same principal and elements of design apply to all art forms. While they can make a beautiful picture they cannot do what the human artist hand puts in a painting. An artist personal touch is still required to put personal energy and excitement into a painting. I hope fervently that we don't lose this in ART whatever medium is your preference. I do believe an artist leaves a little of his heart and soul in each painting.*

*TAG is in good shape membership wise and financially. We have over \$14,000.00 in our budget for the year. I know the new Ex Board will be frugal and present a great program for the upcoming year. I want to thank my Ex Board they have worked diligently and to all the members that have given of themselves unstintingly. It could not be without your help. Thank you, thank you!!! We have accomplished and moved forward in many areas. I will continue doing my little bit to help the ARTS!!! I'm looking for TAG to grow to be over 200 members soon. My best to all of you!!! God Bless you all!!!!*

## TRINITY ARTS GUILD AWARD WINNERS 2007-2008

---

### *Shining Star: Irma Ward*

*Irma Ward studied fine arts at Tarrant County College and with several highly regarded artists. She holds a degree in business administration for the University of Texas at Arlington. Irma is a graduate of the Lilledahl School of Traditional Oil Painting and is a certified Fine Art Instructor. She is a member of the Portrait Society of America, the Outdoors Painters Society, Arlington Visual Arts Association, Mid-Cities Fine Artist Association, the Texas Coalition, and Trinity Arts Guild where she serves on the Executive Board and in many other capacities.*

*Irma loves to transfer what she has learned over the years to others. Today, Irma works out of her home studio in Arlington, Texas, where she paints commission pieces, gives lessons, and organizes and conducts "Team Art" workshops for business clients. She also conducts weekly classes at the Trinity Arts Guild.*

---

### *Special Award: George "Bub" Mueller*

*Bub Mueller is special!! He gives of his time and energies to Trinity Arts Guild. The first time I met him he came by the TAG helping Carol (his wife) enter pictures in a show. Here I am trying to figure out how to buy a computer and set it up. Little did I know that's what he does daily. The last three years he has been an answer to my prayer's. He has made our TAG Talk a great newsletter, e-mailing in color to our members. Computer problems come up he can get us back on track. Giving his time and energies is most appreciated. Thanks Bub. We would not be where we are today without the time and energy you donate to us.*

---

### *Volunteer of the Year: Christina Pearlman*

*I, Christina Pearlman have wanted to learn to watercolor all my life but never knew how to get started. Mitzie Blakeney told me about a watercolor teacher named Bennie Wood and how she would be the best teacher for me to get started in watercolors. Well Mizaie was right, and before I knew it I was following Bennie to several classes each week. I could not believe how much I enjoyed watercolors.*

*I joined Trinity Arts Guild about 3 years ago and took on Public Relations Chairperson. During that time I wondered how TAG with as much talent as it has, has never produced a Calendar. After producing the 2008 TAG Calendar, I understood why. It took a lot of time organizing, working with printers, a photographer, and putting all our events into the calendar. I never realized just how involve TAG is until the calendar started coming together. I have learned a lot, mostly, it takes each of us contributing something to keep this wonderful organization going. Today, I am happy to be working on the TAG 2009 Calendar.*

---

### *Calendar Cover: Bonnie Dunn*

*Art and painting have always been a part of Bonnie's life. Her Mother and Grandmother both painted and engaged in the arts. Bonnie had art classes at Madison College in Virginia and graduated from American University in Washington, D. C. But her talent is primarily self taught. Over the years Bonnie has painted commissioned work in oil and watercolor. She has decorated homes and offices with painted murals. Bonnie also creates art by burning and painting gourds.*

*Bonnie has lived in Bedford since 1981, but it wasn't until she retired and found her way to the Bedford Senior Center and Trinity Arts Guild that she started painting again. She has been painting primarily in watercolor as it is easy to carry to classes. Travel, gardening, and reading are Bonnie's other interests. She tries to create artistic expression from her life experiences.*

---

*Note from Bennie!!! Trinity Arts Guild could not make it the organization it is without these artists that gives so generously of their time and energy. There are so many more members that give generously of themselves but I dare not try to mention any more by name as I would be sure and leave out some of you. YOU ARE EACH APPRECIATED!!!*

## MEMBERS BIO

### Georgene Mais

*In 4<sup>th</sup> grade, I discovered what being artistic meant when my crayon drawing of an underwater ocean scene won Best of Show in the FWISD elementary art show. Then in high school, two courses: biology and exploratory art ignited my love of learning!*

*During college (undergraduate and graduate) I was able to take enough hours to qualify me to teach elementary art which I loved doing for several years. Teaching art to all 4<sup>th</sup>, 5<sup>th</sup>, and 6<sup>th</sup> grade students was extremely rewarding! Unfortunately, I was also challenged with teaching my 5<sup>th</sup> grade homeroom kids all of their other required curriculum except music and phys ed! As a result of too many preparations, most of my teaching career was devoted to teaching 1<sup>st</sup> and 2<sup>nd</sup> graders (which included a lot of art).*

*After devoting my life to being a public school teacher and administrator, I know that optimum student learning requires a rich, diverse and positive learning environment; that mastering the basics is essential for student success; and most importantly, the key to developing a love of learning is a curriculum filled with fine arts, great literature and all the sciences!*

*After retiring, I had the privilege of studying watercolor with Bennie Wood; it was then my passion for art was rekindled. My life has been full and rich with work, family, and faith. My only regret – not allowing myself the time to pursue art more fervently (BW)! However, in life things can change with focus and commitment!*

*Note from Bennie: Georgene is an important part of TAG. When she takes on a job with her versatile talents she does it with aplomb therefore you can leave it with her and forget it because it will be done successfully. Her art gets pushed to the side but is always right under the surface awaiting her attention. Thanks Georgene and I am pleased to say a dear friend.*

**Pictures of Interest,**  
*Photos by Georgene Mais*

**Painting of the Year 2007-2008**

*I was born in Latvia, moved to Germany during the war, and finally to United States in 1950, where I grew up and attended the School of Associated Arts in St. Paul, Minnesota.*

*While the Art Director with Simmons Advertising Agency in Grand Forks, North Dakota, I received numerous awards including the Silver Medal Award.*

*Since retiring after 33 years with Simmons Advertising, I have enjoyed painting scenes from some of our travels in United States and abroad.*

*I use acrylic washes and glazes on masonite board which gives it a unique feel and look of transparent watercolors.*

*After moving to Texas, I have been lucky and won numerous awards, including seven Best of Show and three People's Choice Awards.*

**First Place: John Lapaitis**

**Asel Art Supplies: gives these awards:**

**First place \$25.00—Second Place \$15.00 Gift Certificate**

*First Place Painting must hang on the fireplace wall for the month or award is forfeited. After winning First Place artist may not enter Painting of the Month again for a year. First place painting is eligible for Painting of the year in May.*
